RESOLUTIONS

Election of Chairman of the General Meeting (item 2)

The company's largest share holder Waldakt AB has proposed that Magnus Lindstedt is elected to be the Chairman of the General Meeting.

Resolution on distribution of dividends (item 7)

The Board proposes a dividend of SEK 1.65 per share (SEK 330,000,000 in total) and that the record date for dividend shall be on Tuesday 9 October 2018. If the General Meeting resolves in accordance with the proposal, the dividend is estimated to be paid out to the shareholders on Friday 12 October 2018. The final day of trading in the company's shares including the right to dividend distribution will be Friday 5 October 2018.

According to the annual report for the financial year 2017, the company's unrestricted equity (available profit and unrestricted reserves) pursuant to Ch. 17 Sec. 3 paragraph 1 of the Swedish Companies Act amounts to SEK 2,465,928,445. The Annual General Meeting 2018 resolved on a dividend distribution of SEK 360,000,000 to the shareholders, meaning that SEK 2,105,928,445 of the available profit remains available.

The proposed dividend is a result of the company, as from autumn 2017, having half-yearly dividends. The proposal is in line with the company's dividend policy, which includes that the company distributes at least 50 per cent of the annual consolidated net profit over the medium term.

The proposed dividend alone is equal to approximately 31 percent of 2017 Group Profit, and together with the dividend distribution resolved at the Annual General Meeting 2018 it is equal to approximately 64 percent of 2017's Group Profit.

Further, the Board proposes that the Board, the CEO or any person they appoint shall have the right to make any minor adjustments to the resolutions above that are deemed necessary in conjunction with the registration with the Companies Registration Office and/or Euroclear Sweden AB, and otherwise take necessary measures to implement the resolution.
